

Lynda McPherson

I became a Governor at Banks Road Infant School in July 2015. When my children were younger, I was a Parent Governor at the school for several years and whilst my children have now grown up, with the first in full employment and the second at Senior school, I have still retained my desire to be involved with this fantastic school, so this year chose to take up a Co-opted Governor position. I currently sit on the Finance & General Purposes Committee (F&GP) and having worked in the banking sector for many years, I will be able to utilise my skills to support them. I also sit on the Strategic & Development Committee (SDC) and have a desire to assist with the forward development of the school and trust my business knowledge will be able to contribute to this.

I can confirm that I don't have any additional business interests which may conflict with the school.
