zero

Around to my left to find my hero,
back to the top, I've made a zero.

one

A downward stroke, my that's fun.
Now I've made the number one.

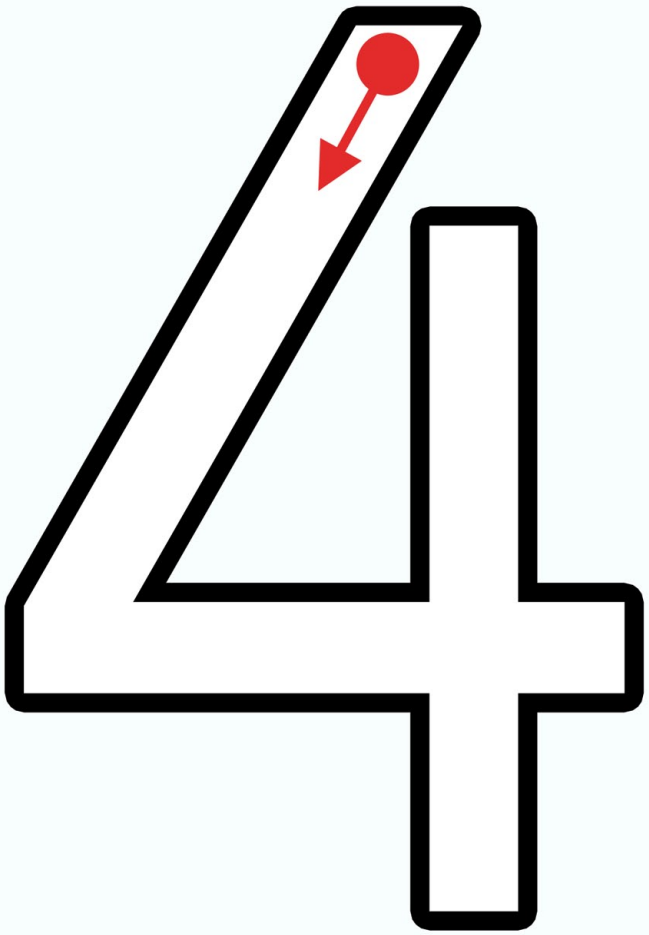

two

Half a heart says “I love you.” Add a line. Now I’ve made the number two.

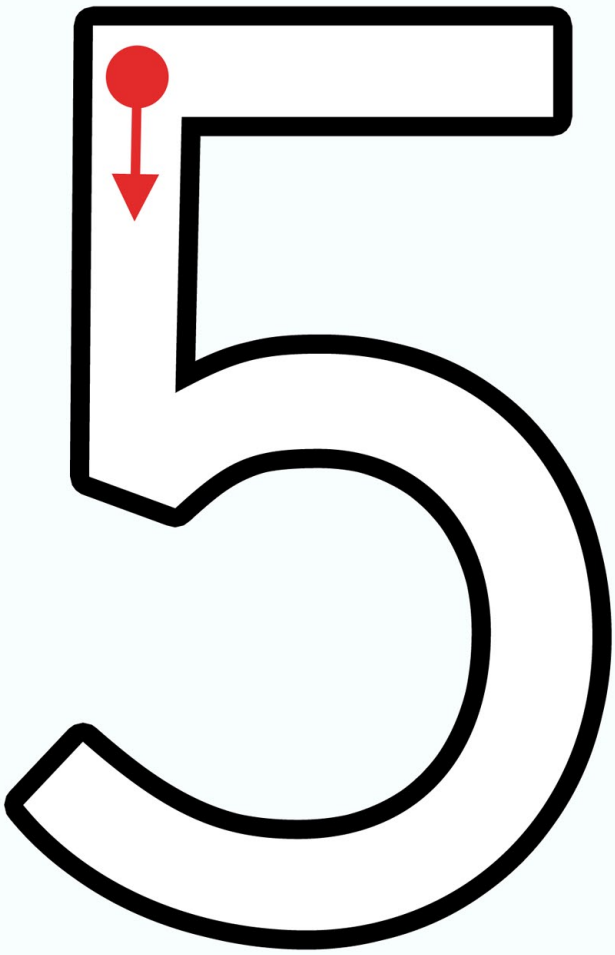

three

Around the tree, around the tree,
now I've made the number three.

four

Down and across and down once more, now I've made the number four.

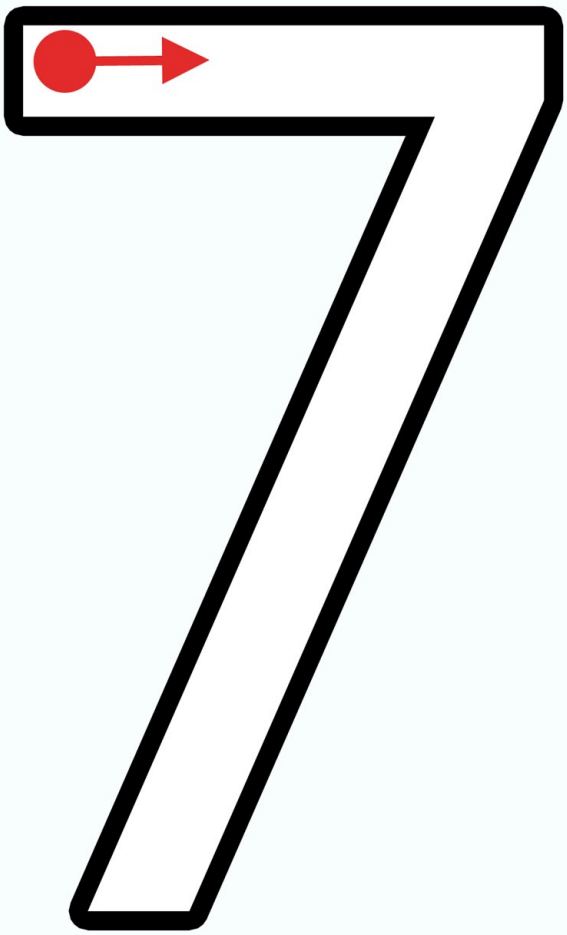

five

Draw the back, the belly and the hat. It's a five. Watch out, it might come alive!

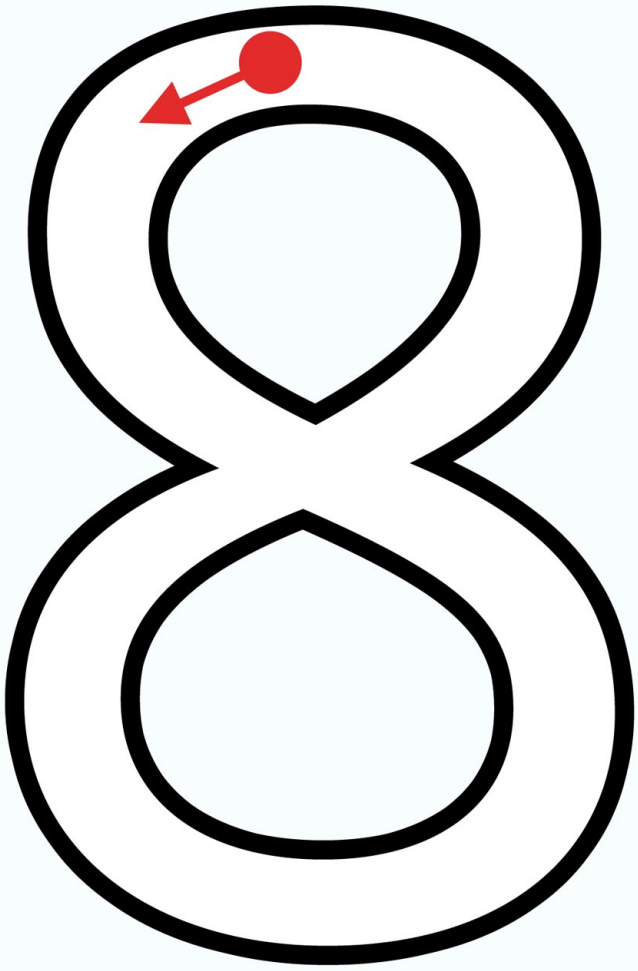

six

Bend down low to pick up sticks.
Now I've made the number six.

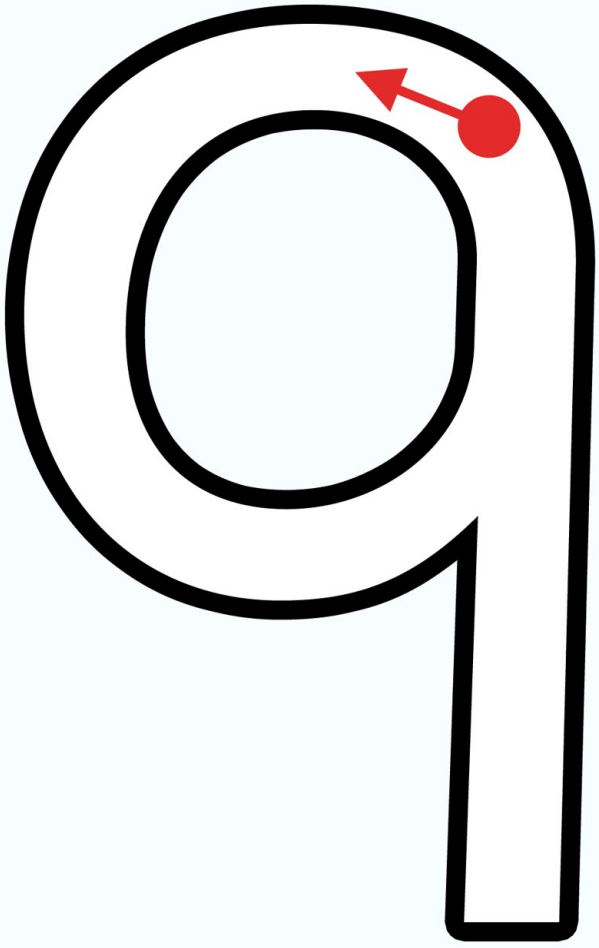

seven

Across the sky and down from heaven. Now I've made the number seven.

eight

Make an “S” and close the gate. Now you’ve made the number eight.

nine

Make an oval and a line.
Now I've made the number nine.
