

**Mary Paterson.**

I became a co-opted governor in July 2015 with a four year term of office. I attend both the Finance/Strategic Development and Pupils/Personnel committees and my areas of responsibility are teaching and Maths. My two grandsons are pupils in the school. Having many years' experience as a primary teacher and headteacher I have an understanding of all aspects of school management and the demands placed on schools. Banks Road Infant and Nursery School is a very good school and one which is constantly striving for improvement. I am very keen to utilise my skills to support the team in achieving their aims and objectives.

I am a Co-opted Governor at Bispham Drive Junior School.

I have no business interests which would conflict with the school.
