

# **VOLUNTEER / VISITOR / PARENT HELPER POLICY**

# 2017- 2018

Visitors and volunteers at our school bring with them a wealth of skills and experience that can enhance the learning opportunities of the children. Banks Road welcomes and encourages them.

**BANKS ROAD INFANT AND NURSERY SCHOOL**  
**“A Home for Learning, Laughing, Caring and Trying”**

**Visiting and Becoming a Volunteer**

We have many requests from a variety of people who wish to visit or volunteer. These may be parents of children at Banks Road, members of the local community or individuals interested in pursuing a career with children. It is important that we keep track of who is working in our school, where they are placed and for how long they will be with us. For this reason all requests from visitors and volunteers should be directed to the head teacher who has responsibility for the organisation and/or placement of such individuals.

We know that most of our volunteers will be parents, grandparents or relatives but not all are so in the guidelines we will call you all volunteers.

There are two main ways of helping: -

- a) Occasional support e.g. at sports events or school trips. These are individual events and generally volunteers only commit themselves to one or two occasions.
- b) Regular support. This is when parents or volunteers offer regular weekly support to the school for a period of time. Usually the commitment will be for a term or longer, and will consist of one or two timetabled weekly sessions.

**Aims and Values**

All adults who work in our school, whether a paid member of staff or volunteer, are expected to work and behave in such a way as to actively support our school aims and values listed below.

- We aim to safeguard and promote the welfare of all children in our care by providing an environment in which they are safe and secure and can be supported in their physical and emotional needs.
- We aim to provide a happy and healthy school environment where children and adults respect each other and take responsibility for their own actions.
- We support a policy of inclusion, where there are equal opportunities for all.
- We will provide a curriculum that is broad and balanced, that will help children prepare for the opportunities and responsibilities that are needed for now and later in life.
- We expect everyone to achieve high standards of work and behaviour both inside and outside school.
- We will encourage the children to develop spiritually, morally, culturally, mentally and physically.
- We strongly believe that communication is crucial between all staff, parents and children and we will foster an ethos of openness whilst maintaining appropriate confidentiality.

**Confidentiality**

**BANKS ROAD INFANT AND NURSERY SCHOOL**  
**“A Home for Learning, Laughing, Caring and Trying”**

Volunteers in school are bound by a code of confidentiality. Any concerns that visitors and volunteers may have about the children they come into contact with should **only** be discussed with the class teacher. Visitors and volunteers concerned about what another adult in the schools says or does, should raise the matter directly with the head teacher.

It is very important that you share any concerns with the class teacher. What you have seen or heard may be part of a bigger picture and will need investigating further. If you are unable to talk to the class teacher, please come to the school office and speak to Mrs Molde or Mrs Williams who will pass on the details to Mrs Clemens.

We have well defined procedures for informing parents of what has happened whilst the children are at school. Please do not be tempted to relay anything you have seen or heard in the classroom to other parents. If you are asked by another parent about their child, please refer them to the class teacher.

**We need to be assured that you will exercise total discretion in all respects when you are helping in school. We ask that all volunteers sign an agreement which includes confidentiality.**

### **Supervision**

All visitors and volunteers are under the supervision of a class teacher. Teachers retain responsibility for the children at all times. Visitors and volunteers should have clear guidance from the teacher as to how an activity involving children may be carried out and what the expected outcomes of any activity are. Visitors and volunteers are encouraged to speak to the teacher if they have a query about any aspect of a child's understanding or behaviour.

We expect all members of the school community to be polite, courteous and self-disciplined and to show respect. Pupils watch us and follow our example.

The same rules apply to staff, children and volunteers working in school.

- Always treat the children with care and respect. They will love spending time with you and will often fight for their turn because they enjoy it so much. You might even get a hug!
- If a child is behaving in a way that you think is inappropriate then you should seek help from a member of staff straight away. Do not argue with the child but be firm if you feel you have to say NO.
- Keep yourself safe by always being within sight or hearing of a member of staff.
- Never handle a child in a disciplinary way. The school staff are trained to restrain children but even they use this only as a last resort to avoid injury to themselves or others.

### **Health & Safety**

The school has a Health and Safety Policy available on request from our school office. Class teachers ensure that visitors and volunteers are made aware of any emergency procedures (eg. what to do in the case of a fire alarm) and about any safety issues associated with a particular task (eg. during a practical task). Visitors and volunteers are asked to exercise due care and attention and report any obvious hazards or concerns to the class teacher.

You will not be given any activity which it is not safe for you to undertake. If you are given a task to do and are having difficulties, whatever the reason, speak to your class teacher. We don't want you to struggle with anything; we want you to enjoy your time in school.

### **Medical / accident procedures**

**BANKS ROAD INFANT AND NURSERY SCHOOL**  
**“A Home for Learning, Laughing, Caring and Trying”**

We have several qualified first aiders in school who are on hand to deal with any first aid treatment. We ask that volunteers do not administer first aid of any kind. If a child requires first aid, please see a member of staff.

If you are injured whilst on the school site, please report this to the school office.

If you are responding to an emergency yourself, please stay with the child and send another child to fetch a member of staff.

### **Safeguarding Children**

The welfare of our children is paramount. To ensure the safety of our children we adopt the following procedures;

- I. All visitors and volunteers are given a copy of this policy.
- II. Visitors and volunteers must sign in on arrival at the school office and leave their mobile phone in the office safe. You must wear an identification badge whilst on the premises.
- III. All volunteers must sign a Visitors and Volunteers Agreement (appendix 1)
- IV. The school reserves the right to ask for a character reference if necessary
- V. We encourage visitors and volunteers who work with children to have a DBS (Disclosure Barring Service) check. Anyone visiting or volunteering on a regular basis and who has substantial access to children *must* have a full, up to date DBS check.

**Please ensure you read all information given including ‘Keeping Children safe in Education’ Part 1 and other safeguarding documents including the ‘Safeguarding Advice for Volunteers and Regular Visitors’ leaflet and summary of our safeguarding procedures**

### **Complaints Procedure**

Any complaints about a visitor or volunteer will be referred to the head teacher. Any complaints made by a visitor or volunteer will also be referred to the head teacher.

*The head reserves the right to take the following actions:*

- I. To speak with the individual about a breach of our agreement and seek reassurance this will not happen again
- II. Offer an alternative placement in another class
- III. Inform the visitor or volunteer that the school no longer supports their attendance at school.

### **If you're not happy**

We will ensure that you have an opportunity to discuss how you feel about your volunteering with the teacher responsible for you but if you are unhappy in the meantime please tell us!

Please do not just leave.

If it is work or other problems one of us will be pleased to listen and help if we can. It's the least we can do in return for your valuable time and commitment!

### **And finally**

We would like to thank you for offering to volunteer to help at Banks Road Infant and Nursery School. We regard you as a friend and member of our team. We have a professional duty to you - just as we have to all members of staff— to make your time with us happy and fulfilling.

Together we make a great team!
