

**Mary Paterson.**

I became a Governor in July 2015 and am now in my second term of office. I attend the Finance/Strategic Development, Pupils/Personnel and Pay committees and my areas of responsibility are The Early Years Foundation Stage and English. I am also an Appraiser for the head teacher. Having many years' experience as a primary teacher and head teacher I have an understanding of all aspects of school management and the demands placed on schools. Banks Road Infant and Nursery School is a very good school and one which is constantly striving for improvement. I am very keen to utilise my skills to support the team in achieving their aims and objectives.

I am a Co-opted Governor at Bispham Drive Junior School.

I have no business interests which would conflict with the school.
