Dear Parent/Carer

HOME SCHOOL AGREEMENT

With this letter you will find our Home School Agreement. The purpose of the Home/School Agreement is to strengthen the partnership between parents/carers and school to maximise children's learning and happiness. Banks Road is committed to creating the right educational environment for all its pupils which allows them to develop in a way and at a pace to their individual needs. Fostering a strong home / school partnership can encourage children to feel valued, happy and successful.

This Agreement has been written following the guidelines set out by Department of Education (July 2013).

Please read the Agreement and if you agree with what it says, please sign it. Please also read the child's part of the Agreement with your child and explain what it means. If you feel that your child understands what is expected of them, ask them to sign the Agreement.

This is yours to keep. Please return the reply slip below to school for our records. Thank you.

Please note that the document is not legally binding in any way. If the Agreement is not signed there will be no answerability on any child or parent. However, I sincerely hope that you will all understand the value of the Agreement in clarifying the roles of the school, the parents and the children. I hope this will further improve the relationship between the school and the parents.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Carole Clemens
