

# EVERYTHING HAS TO BE PERFECT!

- 1 Everything has to be perfect,  
Everything has to be planned,  
Everything has to be perfect,  
Everything has to be grand.  
Everything has to be perfect,  
Only the best will do,  
Only the best, the very, very best  
For me and you!  
Only the best, the very, very best  
For me and you!
  
- 2 Everything has to be perfect,  
Everything has to be clean,  
Everything has to be perfect,  
Polished and pristine.  
Everything has to be perfect,  
Only the best will do,  
Only the best, the very, very best  
For me and you!  
Only the best, the very, very best  
For me and you!
  
- 3 Everything has to be perfect,  
Everything has to be fine,  
Everything has to be perfect,  
Bethlehem will shine.  
Everything has to be perfect,  
Only the best will do,  
Only the best, the very, very best  
For me and you!  
Only the best, the very, very best  
For me and you!
