

Carole Clemens

I am a permanent member of the governing board. I have been the head teacher at Banks Road Infant and Nursery School since September 2013. I am a member of all the committees of the governing board which are the Pay Committee, Pupils and Personnel and Finance and Strategic Development.

I have been teaching in Nottinghamshire for 31 years and during my career I have been a member of school governing boards as the staff representative and have taught children from reception to year 3.

My role on the Governing Board enables me to share the vision of the staff team to provide the very best possible outcomes for every child, driving forward school improvements and continually enhancing our provision.

I do not have any additional business interests other than those of the school.
