## **IMPORTANT MESSAGES**

### Friends of Banks Road Quiz Night

We hope everyone who came to the recent Quiz Night had a great time. Our Quiz Master – Dan Williams did an excellent job and we would like to pass on our thanks to the Friends team who worked so hard behind the scenes to create such a good evening. We are delighted to announce that the Quiz Night raised the total of £480.10.

### **Comic Relief Donations**

Thank you to everyone who donated to Comic Relief. We have raised the total of £73.75

### Science Week

We've had a week full of science experiments and discoveries this week. Today the Keystage 1 children participated in a Sublime Science workshop where they made slime, created sherbet and learned about thunder and magic bubbles. We hope your child will come home with lots of enthusiasm about the wonderful world of science.

### Easter Bonnet Parade

We are inviting children to create an Easter Bonnet to wear on Friday 5<sup>th</sup> April. Any child who would prefer not to make an Easter Bonnet would be welcome to make an Easter Egg.

### Parking

Please may we ask that you are considerate when parking around school. Our first priority is the safety of children and so please do not park on the zig zag lines or on corners. Please also bear in mind that local residents need to access their houses and buses and the emergency services also need adequate space. The school car park is for staff only, and should not be used by parents or carers, unless previous arrangements have been made by Mrs Clemens. We also ask that you do not use that car park as a cut-through, due to health and safety concerns.

### Parents Evening

Parents evening booking is now live on eSchools. Please book your slot as soon as possible for the 26<sup>th</sup> and 27<sup>th</sup> March. If you are having any difficulties with the booking process then please contact the school office.
