

Dear Parents/Carers,

I would like to take the opportunity to thank you for embracing Class Dojo so fully! We have had an overwhelming response, from initial logging on to some of you beginning to use children's portfolios. We feel that it is going to be a powerful tool for communicating with you for day to day school notices and potentially remote learning. Teachers have enjoyed sharing messages and good news with you already via the class story and it is lovely to receive comments back. As with everything new, there will be some trial and error and we will inform you about how to use different aspects of Dojo as we progress with it and use it in different ways. If you have been isolating and set remote learning by your child's class teacher, you may wish to upload some photos of your child's work - we would love to see this. Here is a short video clip that explains how to do this:

<https://youtu.be/ObhAjzflSXM>

We have also received a few private messages from parents, and again, it has been a useful way for us to contact you. However, please only use these for non-urgent messages. For any other messages you MUST contact the school office by telephone/email, for example if your child is being collected by someone else or you need to let your child's teacher know something before they arrive at school. We cannot guarantee that a message will have been read by your child's teacher at a specific time or the same day. Please also appreciate that your messages may not be read or responded to on the same day as receiving them.

Class Dojo is a secure site where only parents of the same class/school can see the 'class/school story' and the messages and photos that we put on as teachers. Now and then we would like to put on photos of the children learning. Please could we ask you to complete the following form and return to your child's class teacher to give permission for this.

Thank you for your co-operation and continued support,  
The Banks Road Team x
