

2<sup>nd</sup> March 2022

Dear Parents and Carers,

### Trip to Bluebell Dairy Farm

We are planning to take the Foundation Stage children on a day trip to Bluebell Dairy Farm on Wednesday 13<sup>th</sup> July. This enrichment activity is planned as part of our topic on animal life cycles. We will be following the 'Cow to Cone' trail, at the end of which all children will receive an ice cream (included in the cost).

At this stage we are seeking initial interest from parents to enable us to plan for this trip and budget correctly. Children who do not normally attend Nursery on Wednesdays are welcome to attend. To enable this trip to safely go ahead, we will also need to take a few extra adults to help out, so please indicate on the online form if you would like to join us. Please note that to ensure we have the correct child/adult ratios we will need more volunteers to help with Acorn class than for Birch and Chestnut. Please also note that we will pull names out a hat if we have more volunteers than spaces.

We anticipate that the cost of this trip will be £15 per child and £10 per adult helper. School trips are not profit making, the amount we ask parents to contribute is made up of entrance fees and the cost of coaches. We will enable payment by instalments via Pay360 to help spread the cost of this trip for those who wish.

A formal trip letter and consent form will follow in due course. Please do not send any payment at this time.

Please complete the online form to register your interest for this trip:
