

## David Morris

Hi, I'm Dave and I have been a parent governor since November 2018. I currently have two children - Emmett and Isaac - attending Banks Road, and my daughter Amelia recently transitioned to Bispham from here. This long connection I have with the school inspired me to get involved in ensuring the school goes from strength to strength, and give mine and all children a great start to their education.

I have a previous 23 year career focusing on leadership, strategy and building great teams and I have been able to use the skills I have acquired in that time to support the various teams in school. I now have a role within a school trust, which I've been inspired to explore by my time with the

Governing Board, and I hope this allows me to make more valuable contributions to Banks Road.<sup>4</sup>

In addition to my role as Vice-Chair on the Full Governors board, I sit as vice-chair on the Finance and Strategic Development and Pupils and Personnel Committees. I also hold link responsibilities towards specific subjects and areas - Finance, Curriculum and Community, Wellbeing and Behaviour.

I have no business interests which would conflict with the school.
