

We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world's sustainable future.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home/school agreement.

At Banks Road Infant and Nursery School we are working together to:

- Raise achievement through a commitment to high standards and expectations.
- Enable every child to succeed as an independent, enthusiastic and confident learner.
- Create an atmosphere where each child is valued as an individual, enabling them to develop a positive self-image, self-discipline and respect for others.
- Provide a welcoming, secure, stimulating and enriched learning environment.
- Celebrate our rich diversity and work in partnership with parents, children and the wider community.
