

Sarah Williams

I am Sarah Williams, I have been a Governor since 2012. I am Mum to Ben and Sam, both of whom attended Banks Road. It was during their time here that I fell in love with the school and wanted to do more. As a Governor I am involved in all aspects of our Brilliant school, from supporting the Head Teacher to assisting with the long term planning of the schools direction, objectives, policies and improvements. I am also employed at the school as an Office Administrator.

I am the link Governor for Pupil Premium children, children with Special Educational Needs and Health & Safety.

I have no business interests other than those associated with the school.
