

## **Sarah Williams**

I am Sarah Williams, a co-opted Governor, with 4 years experience. I am Mum to Ben (year 9) and Sam (year 5), both of whom attended Banks Road. It was during their time here that I fell in love with the school and wanted to do more. As a Governor I am involved in all aspects of our Brilliant school, from supporting the Head Teacher in the day to day running of the school to assisting with the long term planning of the schools direction, objectives, policies and improvements. I am also employed at the school as an Office Administrator

I am the link Governor for Pupil Premium children and children with Special Educational Needs.

I have no business interests other than those associated with the school.
