

Its Global week!

Global Week is the week beginning **Tuesday 23rd April 2019**. During this week the children will learn all about culture in a different country. **On Tuesday morning we would like the children to come into school via the airport (school hall!) to check in for their trip.**

Acorns to go into Nursery as normal

Birch and Chestnut to enter the hall via the blue door next to the pirate ship

Maple and Cherry to enter the hall via the main school entrance

Oak and Willow to enter the hall via the blue door next to Willow Class

We will be sending home boarding passes with the children tonight to let them know which country they will be travelling to. **Children have been asked to come to school on Tuesday with a small bag packed with a few things they think they might need.** Just in case the boarding pass doesn't make it home please note the country's each class will be visiting below.

Acorns – Italy

Birch & Chestnut – Australia

Maple & Cherry – Jamaica

Oak & Willow - Fiji

On Friday 26th April children are invited to come to school dressed in the traditional dress of their country or in the colours of its flag.

Thank you for supporting us with our Global week! Please keep watching the website for photos of all the exciting activities the children get up to during this fantastic week!
