

Narinder Mann

I became a parent governor in November 2018 with a four-year term of office. My eldest daughter is in Year 2 and my youngest is in Nursery. I have seen the important role the school plays in shaping the future of children. I welcome the opportunity to work with the school, ensuring it continues to grow and fulfil its full potential in supporting staff, children and parents through the early years of education. I am a Governor because I want to help the school and its children, be the best they possibly can.

I have no business interests which would conflict with the school.
