

Across the country,
people are looking
forward to this very
special occasion in June.

The official Public Holiday
is 2nd and 3rd of June
which falls in the school's
half term break

We are, therefore,
organising celebrations to
take place in school on
Friday 28 May

*Her Majesty will become both the oldest
and longest serving monarch in the world as
the country celebrates with events in every
corner of the land.*

Let's party for the Queen

We would like to make this once in a lifetime occasion as memorable as possible for the children of Banks Road. Our plans include:

- ✚ 12.00- 1.00: The **BIG LUNCH** The whole school will be together over the lunch hour where they will experience a street party feel with tables and chairs outside, a special Platinum Jubilee picnic style lunch*, bunting and flag waving
- ✚ A visit in the afternoon from the ice cream van *
- ✚ Party games, activities and competitions
- ✚ A commemorative 'Banks Road' gift from the school for every child
- ✚ Children and staff to wear red, white and blue

*Please note this is a special jubilee school lunch and as always, all dietary requirements will be catered for. Nursery lunch club children will join the party with their picnics from home. Further information for nursery children who don't attend on Fridays to follow!!

We are requesting a voluntary contribution of £5, or whatever you would like to contribute, to cover the costs of this special day.

This can be made through your Pay 360 account or via a cash donation (in a clearly marked envelope "Queen's Platinum Jubilee Celebrations").

Many thanks and whilst we cannot organise the weather we are looking forward to a celebration to remember
