I have been a Co-opted governor since October 2017. I was previously a parent governor and also many years ago attended Banks Road myself. My daughter attended Banks Road and my other daughter will attend in the future. All of this involved in ensuring the school goes from strength to strength. I have a 20 year career in commercial management and I hope to be able to use the skills. In addition to the Full Governing board, I sit as vice-chair on the Pupils and Personnel Committee. I also hold special responsibilities towards GDPR.

I can confirm that I don't have any additional business interests which may conflict with the school.
